

**NANO BUILDERS
DEVELOPMENT**

Nanobuilders Development (M) Sdn Bhd **Corporate Profile**

Specialist company in facade maintenance and building renovation services.

About Company

We are a certified and registered company committed to providing high-quality, accurate, and sustainable services to our clients.

Our team of professionals has extensive experience in the facade maintenance and building renovation industry, and we pride ourselves on delivering services that exceed our clients' expectations. We understand the importance of maintaining a building's exterior appearance, safety, and energy efficiency, and we work closely with our clients to develop customized maintenance and renovation plans that meet their specific needs.

We are a certified and registered company with the **Construction Industry Development Board (CIDB) Class G5, the Ministry of Finance (MOF) and Rope Access Contractor**. These certifications demonstrate our commitment to upholding the highest standards of professionalism and quality in all of our services.

We are committed to delivering the highest quality of workmanship and accuracy in all of our services. We use advanced techniques and equipment to ensure that our work is performed efficiently and accurately. Our team of experts is dedicated to delivering the best possible results and maintaining the highest standards of professionalism.

Mission & Vision

Mission

We are dedicated to fostering a culture of excellence, integrity, and customer satisfaction. We see ourselves as more than just a service provider; we are partners in our clients' success, ensuring that every project we undertake contributes to the overall resilience and longevity of the built environment.

Vision

We aim to safeguard structures, enhance property values, and contribute to a built environment that stands the test of time, setting new standards for excellence in waterproofing.

**NANO BUILDERS
DEVELOPMENT**
